

REMARKS

This amendment is being filed after the mailing of a Notice of Allowance, but before payment of the Issue Fee, and is therefore governed by the provisions of 37 CFR § 1.312. The undersigned believes the amendment is of a type needed for the proper disclosure or protection of the invention, and which requires no substantial amount of additional work on the part of the Office, and may therefore be entered on the recommendation of the primary examiner and approved by the Director, without withdrawing the application from issue. 37 CFR § 1.312.

The specification is amended herein to comply with an objection to the drawings made by the Examiner in the Office Action of April 21, 2006. Specifically, FIG 1 has been amended to include the words "Prior Art," as requested by the Examiner. A Replacement Sheet is being filed herewith to effect this change.

Respectfully submitted,

/Robert Day/
